Join Paul along with Ireland's biggest stars for a holiday of a lifetime

Hi folks, Paul Claffey here.

I am delighted to say that we will be returning to the beautiful 4 star Barossa Hotel Complex in Cadiz, Spain with Mike Denver and some of Ireland's top entertainers from June 5th - 12th 2024. I'd love you to join me for a week of terrific music, laughter and fun in the sun!

Hope to see you there!

Paul

Hola!

Hi Friends,

Some years ago, we discovered a diamond in terms of a destination for our music sun holidays, it's called The Barrosa Hotel Complex, Cádiz in Spain and I'm thrilled to say that once again we will be returning to there from **June 5th - 12th 2024** with **Mike Denver & his band** headlining the week. Mike will be joined by some of Ireland's top entertainers including **Brendan Shine, Gerry Guthrie, The Conquerors, Dominic Kirwan, John McNicholl, David James, Kathy Durkan, the Stephen Smyth Band, Jim Devine, Sinead Black** and more.

As many of you will know, the Barrosa Hotel Complex is just sheer luxury, overlooking one of the most impressive beaches in the province of Cádiz, Spain with 7km of beautiful sun-soaked

beaches. Your package also includes breakfast and dinner each evening, the food can only be described as simply delicious!

Each morning after a scrumptious buffet style breakfast, why not take a stroll along the beautiful miles-long white sandy beach.

For the golf enthusiast, the Seve Ballesteros world renowned golf course is within walking distance of the hotel where you can test your golfing skills. For the shoppers amongst you, there will be optional day trips arranged during your stay so you will be just spoilt for choice! During the days, you can just relax in the sunshine with our amazing poolside sing-alongs with the stars.

And there's even more, for those of you wishing

to sharpen those dance moves, there will be dance classes available throughout the week.

And there's more! After dancing the nights away to the terrific entertainment from our top-class artists in the function room, it's then off to the legendary Jiggy Jig bar for more great music and dancing into the early hours.

Again, for our 2024 tours, we have introduced an EASY PAYMENT PLAN to allow guests to make a monthly payment to allow you to budget the cost each month for your trip. We will send a payment link to you each month with an agreed amount to be paid.

We also strongly recommend that everyone takes out travel insurance

(either through JWT travel or through your own insurance provider) to save any monetary losses should something arise either prior to, or during your holiday.

It promises to be another spectacular, relaxing music and fun filled trip to the Barrosa Hotel Complex & Resort in June 2024!

I know we are all so looking forward to a great holiday so don't delay and book your place today.

I look forward to meeting you there.

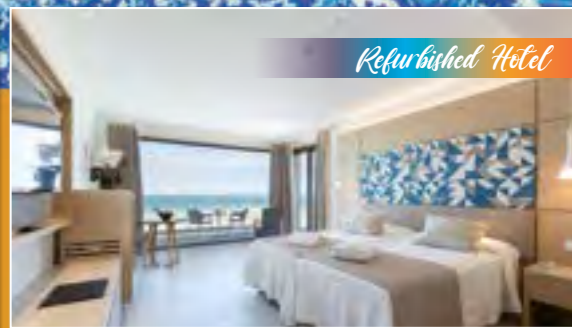

Paul Claffey

Direct Flights

from Knock, Dublin, Cork, Belfast, Shannon & UK Airports

••IMPORTANT•• Knock Charter Flight Information

We have been operating a Knock Charter flight for the last 30 years and it has always been a great success. I regret to say it has now become almost impossible to do this anymore without a significant rise in supplement. The main problem we have, is when the aircraft lands in Spain, it has to return empty and the same applies on the return journey. For years we have been trying to find other options with no success.

Regretfully, our only option is to now introduce a supplement of €130 per person. We very much regret having to do this and hope you will understand our position. You can of course avoid this supplement by flying from other airports Dublin, Shannon, Cork, Belfast and most UK Airports. *However, don't forget, the charter flight from Knock flies into Jerez airport which is only a 30-minute drive from the hotel.

EASY PAYMENT PLAN AVAILABLE

Spread the cost into budget friendly monthly payments

As always at Paul Claffey Tours we endeavour to provide our valued guests with the best possible value for money at all times.

This package price is based on the current economic situation, should there be another rapid rise in inflation and energy costs, then we will be left with no alternative but to reluctantly introduce a surcharge.
